TURN YOUR PASSION FOR SPORT INTO YOUR PROFESSION

REYES SANTA OLALLA

Former professional skier

Alumnus Master in Sports Management

“

I started to combine my passion for skiing with my other passions: law and sport management. Between competitions and training sessions I have managed to build a future for the eventual day that I have to stop skiing.

”

PASSION FOR SPORT

ACADEMIC ITINERARY

You have the option of taking the 4 modules separately in short, specialized courses (in any modality) to earn credits towards this program. You can also obtain the Master in Sports Management by completing this postgraduate program with the Postgraduate Diploma in Sports Marketing by taking two optional modules and doing the Master's Final Project (in a period of 3 years from the start of the first module).

$$\text{Master} = \text{Postgraduate 1 (32ECTS)} + \text{Postgraduate 2 (14ECTS)} + \text{Business Plan (6ECTS)} + \text{Elective Modules (8ECTS)}$$

PASSION FOR SPORT

This Postgraduate program is for you if:

- You're an (ex-) athlete who is looking for specialized training in sports management to give your professional career a boost.
- You're working in a management environment and want to specialize in the sports industry.
- You wish to complete your education with a postgraduate diploma specializing in sports management.

LEARNING OUTCOMES

- To understand and apply strategic, global and objective vision to the sports industry from a business perspective.
- To create new market opportunities by applying an entrepreneurial spirit and a culture inclined towards innovation in sports organizations.
- To use the most innovative practices in sports marketing and be more effective in brand strategy and sponsorship execution.
- To detect the key factors to lead professional teams and obtain the best results.
- To interpret the financial statements of a sports organization and create financial strategies for new products and businesses.
- To optimize the management of a sports facility and sports event.

BENEFITS

- Learning 3.0: flexible schedules, different learning and technological environments.
- World-class faculty: interaction with expert professors and professionals from the industry.
- Collaborative tools, group work, communication and debate.
- Sports industry oriented: approaches training from the business sector to the sports industry.
- Learning based on experience: designed to improve professionalism.

PROFESSIONAL OPPORTUNITIES

- Sports competition (professional sports teams and event organizers).
- Governance (sports federations and associations).
- Sports facilities and events (tournament organizers, sports clubs).
- Community sports (foundations, municipalities).
- Sports consulting (private business initiatives).
- Sports journalism (mass media).
- Marketing and sponsorship (private and public companies).

Johan Cruyff
Founder

In my opinion, athletes possess remarkable qualities. They are committed, eager to improve and goal-oriented. With these traits and the right academic training, our athletes become successful leaders in the world of sport management. Who better to serve the best interests of sport than someone who has the heart of an athlete?

JOHAN CRUYFF INSTITUTE
